Please Note: All cattle have been a part of a comprehensive health and nutrition program and developed with a focus on lifelong success in your herd.

Heifers are guaranteed to be pregnant as of the day of the sale. They have been confirmed pregnant by a qualified veterinarian. Purchasers will have 30 days of the sale to observe for signs of nonpregnancy and report any open females to Collins Farms. If a qualified veterinarian determines that a heifer that was sold as pregnant is in fact open, then the purchaser will be eligible for a 25% sale credit or 25% refund of the purchase price. Collins Farms reserves the right to retest any heifer in question for pregnancy.
